Market Update - March 2017

Cedar Rapids Home Show

We had a great time at the Cedar Rapids Home Show last weekend, where we featured **Marvin** windows, **Azek** decking and **Westbury** rail. If you missed us at the show stop by our showroom to check out some of our new products. Thank you Greater Cedar Rapids Housing & Building Association for sponsoring the event.

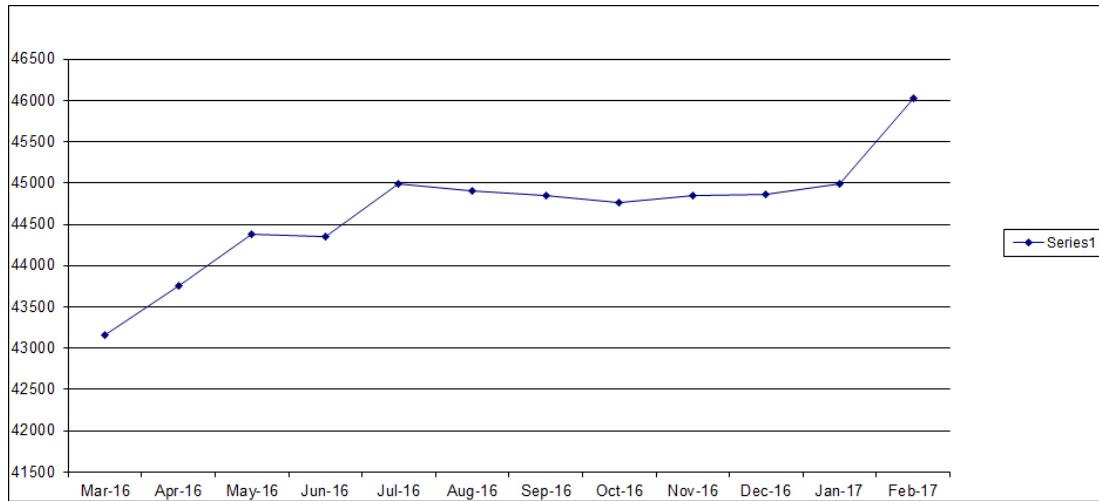

Market

The lumber market increased sharply due to uncertainty surrounding the US/Canadian Softwood Trade Agreement (SLA) negotiations. This uncertainty has had an adverse effect on the market – sending prices higher. General rule of thumb – market rises on

rumors/uncertainty – market falls on fact. OSB is also on the rise.

There is a lot of information on the web regarding SLA. One trustworthy link is
